June 12, 2022 | Holy Trinity Sunday

This week we return to the liturgical season of Ordinary Time. Today, on the first Sunday after Pentecost, we celebrate the Solemnity of the Most Holy Trinity. This feast invites us to consider what we believe about God, who has revealed himself to us in the Trinity—one God in three persons.

The verses of today's Gospel come near the end of Jesus' long discourse at the Last Supper. In the early part of this discourse, as we saw last week on Pentecost, Jesus offers assurances to the disciples. Even though he must leave the disciples, he tells them that they will have a future because of the help he will send them in the Holy Spirit. The disciples of Jesus cannot know the future. They can only know that, whatever shape the future takes, they will not have to face it alone. They have the Spirit of Truth, who will continue to provide the teaching of Jesus in the future.

Trinity Sunday

The dogma of faith which forms the object of the feast is this: There is one God and in this one God there are three Divine Persons; the Father is God, the Son is God, the Holy Spirit is God. Yet there are not three Gods, but one, eternal, incomprehensible God! The Father is not more God than the Son, neither is the Son more God than the Holy Spirit. The Father is the first Divine Person; the Son is the second Divine Person, begotten from the nature of the Father from eternity; the Holy Spirit is the third Divine Person, proceeding from the Father and the Son. No mortal can fully fathom this sublime truth. But I submit humbly and say: Lord, I believe, help my weak faith.
